

The illustration shows a pink piglet with black spots running happily across a green field. The piglet is in the lower half of the frame, moving from left to right. The field is filled with green grass and small white flowers. Numerous autumn leaves in shades of orange, red, and yellow are falling around the piglet and scattered across the sky. In the background, there are bare trees and a light blue sky with a few small birds flying. The overall scene is bright and cheerful, capturing the essence of autumn.
